

## Our Mission

We are committed to providing the most advanced and appropriate dental care. We provide a compassionate, personalized, contemporary, and relaxing environment. Our success is built upon long-term relationships that we have formed with our patients and their families. We treat every patient with honesty, fairness, and the utmost respect. We provide the highest quality of dental care and patient education in a collaborative attempt to improve every patients overall dental health.

## Core Values

We are committed to the **overall oral health** of our patients, not just dental treatment.

We are committed to **forming a relationship** with our patients by providing dental education and the finest clinical and technological advancements in dentistry.

Our success is measured by our **long-term relationships with our patients and their families**.

We are compassionate and treat our patients with **honesty, fairness, and respect**. We will only recommend and provide treatment that is appropriate and is fully understood by our patient.

We are **clean, safe, and responsible** and adhere to the highest CDC (Center of Disease Control), OSHA (Occupational Safety and Health Administration) and the ADA (American Dental Association) sterilization guidelines for the safety of our staff and patients.

We are committed to a **fiscally responsible business**. We will invest into the **advances in dental technology and equipment** as well as ourselves with continuing education and advanced certifications.
